from [redacted] to Helms,

merely alert you  
to the game that goes  
on now. They  
would want:

1 HOUR at  
State's Big Room  
and the political mafioso  
would be thick with people  
like [redacted], Dean Rusk,

[redacted]  
et al. I hope we can  
avoid this one unless DCI  
really wants us and lays  
down the rules. GCI!
